Parents got acquainted with the school's systems, facilities and infrastructure

Parents' orientation event held at GD Goenka Public

HT Correspondent

NEW DELHI: GD Goenka Public School, Sarita Vihar, organised a parents' orientation programme with joy and humility.

Orientation day is an occasion when parents are acquainted with the school's systems, facilities, and infrastructure, with the aim of making them an integral part of the Goenka family.

The event was held in two sessions: the morning session for parents of Classes KG to 9 and the afternoon session for parents

of nursery. The parents of both the groups were extended a warm welcome by principal Seema Sahay followed by the primary incharge, Vinita Sachdeva and the middle school incharge, Paromita Mukherjee.

The heads took the parents on a virtual tour of the school and apprised them of the facilities on offer.

The address by the school counsellor, Urvashi Sareen, consisting of reassuring words, put the parents at ease with regard to the well-being of their children

at school. The event was graced by chairman Vipul Garg, mentor TR Garg, and secretary Madan Lal.

Thereafter, the parents were led by the class-teachers for an orientation with regard to discipline and general rules.

The parents were then shown the school campus with its state of the art infrastructure: the activity studios, the subject-centred labs, and the sports areas. The event concluded with the parents and teachers continuing their discussion.
