DATE: January 25, 2021

CLASSES: Nursery and KG

EVENT REPORT

**Freedom in mind,
Strength in words,
Purenness in our blood,
Pride in our souls,
Zeal in our hearts,**

Let's salute India on Republic Day.

G.D. Goenka Public School, Sarita Vihar, held a craft session on Republic Day to enhance the creativity and develop the sense of patriotism among the Pre-Primary students. Republic Day holds a very special place in every Indian's heart.

A day when not only India's constitution came into being, but a day when we all proudly witness the nation's latest acquisitions by the forces of the country to safeguard its citizens. It is a day to salute the diversity and the unity of our motherland to which all of us contribute.

Craft activities, enhance the interest of the children and increase their artistic potential. It is an essential part of teaching and learning. In fact, art holds a lot of importance in the early years of a child. While scientifically it is said that art develops the right side of the brain, it cultivates important skills like problem-solving, self-expression, creativity, and fine motor skills too. Art and craft brings a lot of happiness and pleasure to the person who is actually working on it but also to the viewers who view and enjoy the creations.

The students of Nursery and KG attended a special craft session on the theme of the National festival which was conducted by Ms. Shachi Dayal who trained adults and children at her own art studio and classes. Students of Nursery and KG used ice cream sticks to make the tri-coloured National flag.

Children thoroughly enjoyed the activity. Due to the present restrictions, even if our children are not able to interact with their peer group physically, it becomes imperative for us to try to help them in de-stressing and being constructive.

Through this activity, students learnt how to enrich and preserve their heritage, ethos, and treasure their Nation.
