Delhi school aims to foster valuable skills to build its students' aptitude

With the motto Higher Stronger Brighter as its cornerstone, GD Goenka Public School, Sarita Vihar, aims to foster skills and aptitude among its students to effectively prepare them for a competitive world. As per the school management, the institute provides students a vast canvas to master the six Cs. The school authorities emphasise on:

■ **Collaboration:** Fostering international ethos and embedding it in the curriculum, the school has been awarded the International School Award by the British Council for cross-cultural collaboration with schools in Bahrain, New Zealand, China and Japan.

■ **Communication:** Monologues, two-way or multi-way exchanges are incorporated in classrooms that are both dialogic and inclusive. Paired activities, role plays, group discussions, etc., offer support to establish stronger communication skills in students.

■ **Challenge:** Trained by expert faculty, Goenkan prodigies have created historic moments by securing top ranks at international and zonal-level Olympiads, benchmark tests, sports and arts.

Students have also won accolades at International Olympiads

■ **Critical thinking:** Based on the model of experiential learning, students are actively engaged to solve problems. The Annual Exhibition - Impressions, Expressions - engages students in direct experiences tied to real-world problems and situations.

■ **Creativity:** Students are given a free hand to showcase their creativity as often as possible.

■ **Connectedness:** Values and ethics are promoted through a teaching-learning model that encourages to develop a sense of belonging.
