TEACHERS' MEET

GD Goenka Public School, Sarita Vihar, conducted workshops to hone the skills of teachers. Educators should be life-long learners and strive to become more efficient. Interaction with experts is one way of staying updated with the latest strategies. The school engaged teachers in a wide range of workshops that helped them reassess the methods usually adopted in class. The four workshops conducted were as follows: Classroom techniques by Parminder Langer, recipient of the Outstanding Educator, Gold Award, Unsung Heroes No Longer; Emotional Intelligence by Deepa Naiwal, ex-Indian Air Force officer; Neeru, well-known business coach at International Sivananda Yoga Vedanta Centre, New Delhi; and Jolly Phonics by Ritu Bawa, UK certified Jolly Phonics trainer, India region. The workshops discussed how to manage students of all ages, primary as well as middle sections.
