Dance, drama, and music rule at GD Goenka Public

■ Students of Classes 3 to 8 presented a show on ways in which happiness can be achieved

HT Correspondent

NEW DELHI: GD Goenka Public School, Sarita Vihar, presented dance, drama, and music performances during annual day celebrations.

The students of Classes 3 to 8 presented a show on 'how happiness can be achieved'. The special guests of the evening were Vipul Garg, chairman GD Goenka Public School, Sarita Vihar, and Madan Lal, secretary.

The event began with the lamp-lighting along the divine

sounds of 'Sangachhadhwam', invoking the blessings of the Almighty for success and prosperity. The chairman addressed the gathering reiterating the qualities of a Goenkan. His words encouraged the students and inspired the audience.

The school report for the session 2016-17 was then presented by principal Seema Sahay. She highlighted the activities and achievements of the past year. Then a 'Quest for Harmony' was presented. The musical event showed the efforts of a King to

ensure harmony. The King is brought to the realisation that harmony can be attained only through a conscious heightening of spiritual and emotional selves—conceptualised as nature—even as many try to assay that beauty, wealth, strength, or technology could be the secrets to this.

The performances charmed the audience. The festivities concluded with the grand finale to the tune of 'Heal the World' in keeping with the theme of the programme.
