ORIENTATION FOR PARENTS

GD Goenka Public School, Sarita Vihar, welcomed the parents of all new admissions at the Parents' Orientation Programme. The parents were greeted by principal Seema Sahay, followed by briefing by the primary incharge, Vinita Sachdeva and middle school incharge Paromita Mukherjee. The heads took the parents on a virtual tour of the school and apprised them of the facilities on offer. The parents were led by the class-teachers for a detailed class-wise orientation with regard to discipline and general rules. The parents were then shown the school campus with its state of the art infrastructure — the activity studios, the subject-centered labs, and the sports areas. The event concluded with a parent-teacher discussion over tea.
