GD Goenka Public School,

Sarita Vihar, students visited 'Goonj', an NGO for the underprivileged as part of the school's community outreach programme. The school with its endeavor for contributing towards the community participated in the 'Raahat' initiative of Goonj. Through the initiative the school collected 124 Kg of dry ration comprising and contributed the same towards the needy cause. Besides this, the students also visited the processing center of the NGO. The visit indeed turned out to be an eye-opener for them as they understood the systematic procedure being followed in utilising the minutest of things that usually are turned down by us as waste.
