

REPORT: Coffee With Curriculum 2025-26

DATE: February 13, 2026

CONDUCTED BY: Class 2

ATTENDED BY: Parents of Class 2

EVENT REPORT

G.D. Goenka Public School, Sarita Vihar Junior School, recently hosted a vibrant and successful **Coffee with Curriculum (CWC) Programme for the 2025–2026 academic session**. The event was a dedicated showcase led by the talented **students of Class 2**, who took the initiative to welcome parents at the start of the day. The morning began on a spiritual note with a soulful prayer, followed by a warm welcome address from the Primary Headmistress Ms. Vinita Sachdeva, who highlighted the school's commitment to fostering a strong, transparent bond between educators and parents.

The academic showcase opened with the English segment, where the **Class 2 students** brought grammar concepts to life through storytelling and action-based learning. By involving parents in interactive activities, the children demonstrated how language is integrated with creativity and communication at the foundational level. This was followed by an engaging Mathematics segment, where the young learners used skits and role plays to simplify concepts such as skip counting, addition, subtraction, multiplication, division and fractions, proving that math can be both practical and entertaining.

The EVS segment further highlighted the school's focus on experiential learning. Through a structured five-step process, the students helped parents understand how environmental studies connect real-life experiences with essential life skills and responsible behaviour. The programme then moved to the Hindi segment, which served as a celebration of language, values and culture. Through vocabulary enrichment, storytelling and dramatization, the students showcased their growing mastery of the language and its cultural significance.

The event reached a high-spirited climax with an energetic, eclectic dance performance to the song "**Jai Ho**," which filled the auditorium with enthusiasm and sense of pride. This Coffee with Curriculum programme provided parents with meaningful insights into the school's innovative teaching methodologies. By the end of the day, the initiative had successfully strengthened the partnership between parents and educators in nurturing the holistic development of the children.
