EVENT REPORT

*“Scoops of happiness, colours so bright,
Ice cream made our day feel just right!
Sweet little moments, laughter and cheer,
Made this celebration special for everyone here.”*

To beat the summer heat with a touch of sweetness and excitement, G.D. Goenka Public School, Sarita Vihar celebrated Ice Cream Day with great zeal and enthusiasm on Tuesday, May 5, 2026 for the students of Nursery to Grade II. The day was thoughtfully planned to provide the young learners with a joyful experiential learning opportunity blended with fun and creativity.

The school campus was filled with excitement as the children enthusiastically gathered around the colourful ice cream cart. The little Goenkans thoroughly enjoyed relishing delicious flavours like vanilla and strawberry with their classmates. The cheerful atmosphere echoed with laughter and happiness as the children shared their excitement with one another, making the celebration lively and memorable.

Adding a creative touch to the celebration, the Nursery students enthusiastically made colourful paper ice lollies and enjoyed expressing their imagination through art and craft. Students of KG to Grade II participated in an exciting cup decoration activity wherein they creatively decorated their ice cream cups by making adorable smiley faces using colourful gems and chocolate syrup. The engaging activities not only enhanced their creativity and fine motor skills but also made the celebration more enjoyable and memorable for the children.

To make the day informative as well as enjoyable, a specially designed PowerPoint presentation was shown to the students. Through the interactive session, the children learnt interesting facts about the history of ice cream, its different flavours and varieties, and the ingredients used to prepare this delightful frozen treat. The session sparked curiosity among the students and enhanced their knowledge in a fun and engaging manner.

The celebration turned out to be a delightful experience for all the students. Such enjoyable activities help in making learning more meaningful and break the monotony

of the regular classroom routine. The bright smiles and sparkling eyes of the little Goenkans were a true reflection of the joy and excitement they experienced throughout the celebration, making the day memorable and special for everyone.
