EVENT REPORT

TREE PLANTATION (2025-26)

‘When we plant trees, we plant the seeds of peace and seeds of hope.’

Each tree planted is a promise to breathe cleaner air, to shape future paths, and to nurture life in all its forms. The annual plantation drive, held every year in the premises of GD GOENKA PUBLIC SCHOOL, SARITA VIHAR, was carried out on 13th February 2026 this year, as a part of the CBSE activities. The initiative began on a beautiful note with Class VII& VIII students reciting a Sanskrit shloka on the significance of trees. It instilled a deep sense of respect for trees and described their role in sustaining life. The Students planted saplings which demonstrated their commitment to the cause and promoted a sense of shared responsibility among them. A variety of native saplings like Amla, Champa, Chandni etc. were planted through active participation of the students who pledged to nurture them and ensure their growth. The event successfully cultivated a sense of ownership and responsibility towards nature amongst all.
