DATE: 16 and 17 July, 2026

CONDUCTED BY: G.D. Goenka Public School, Rohini Sec 22

ATTENDED BY: 5 Students of Classes VIII and IX with 2 Teachers

EVENT REPORT

Students of **G.D. Goenka Public School, Sarita Vihar** participated with great enthusiasm in **TRANQUILITY MUN 5.0**, hosted by **G.D. Goenka Public School, Sector-22, Rohini**. The conference brought together young delegates from reputed schools across Delhi-NCR, offering a dynamic platform to deliberate on global issues through diplomacy, collaboration, and critical thinking. The event continued the school's tradition of promoting leadership, public speaking, and global awareness through Model United Nations conferences.

The conference featured vibrant deliberations across a wide range of committees, including the **United Nations General Assembly (UNGA)**, **United Nations Security Council (UNSC)**, **United Nations Human Rights Council (UNHRC)**, **Economic and Social Council (ECOSOC)**, **All India Political Parties Meet (AIPPM)**, **International Press Corps (IPC)**, and other specialised forums. Delegates engaged in insightful debates on international peace and security, climate action, human rights, sustainable development, global governance, and contemporary political challenges, displaying remarkable research, diplomacy, and negotiation skills.

Our school achieved remarkable success at the conference. **Advitya Jain of Class IX-B** was honoured with the **Best Delegate Award** in the **International Press Corps (IPC) – Journalist** committee for his exceptional journalistic insight, analytical reporting, and articulate presentation. Adding to the school's pride, **Anvi** received a **Verbal Mention** in the **International Press Corps (IPC) – Journalist** committee, earning appreciation for her perceptive reporting, confidence, and commitment throughout the conference. The event concluded with a grand closing ceremony recognising the outstanding performances of delegates, Executive Board members, and organisers. The achievements of **Advitya Jain** and **Anvi** stand as a testament to the school's commitment to nurturing confident communicators, critical thinkers, and future global leaders.

Heartiest congratulations to both our young achievers for bringing laurels to the school and inspiring their peers to strive for excellence in diplomacy, journalism, and leadership.

GLIMPSES
