

REPORT: STEM Racing India Regionals

Date: 10 May, 2026

Venue: Genesis Global School, Noida

Organised by: STEMplify

Number of participants: 05

GD Goenka Public School, Sarita Vihar, proudly participated in the prestigious **STEM Racing India Regionals 2026** held on **10 May 2026** at **Genesis Global School, Noida**. The event brought together young innovators and aspiring engineers from various schools, providing students with an exceptional platform to demonstrate their creativity, technical expertise, teamwork, and problem-solving abilities through STEM-based racing challenges. Representing the school with immense enthusiasm and dedication, **Team Valenthis** showcased remarkable innovation and determination throughout the competition. The students worked collaboratively, applying engineering concepts, design thinking, and strategic planning to successfully compete against talented teams from across the region. In a proud and memorable achievement, **Team Valenthis** **successfully qualified for the National Level of the competition, marking a significant milestone for the school.** Adding to this accomplishment, the team was also honoured with the prestigious **“Best Newcomer Award”** in recognition of their outstanding debut performance, creativity, and competitive spirit. The achievement reflects the hard work, perseverance, and passion of the students along with the constant guidance and encouragement provided by their mentors and school. The event not only strengthened the students’ technical knowledge but also enhanced their confidence, communication, collaboration, and leadership skills. The school congratulates Team Valenthis on their exceptional success and wishes them the very best as they prepare to represent the school at the National Championship. Their achievement stands as an inspiration for all young learners to innovate, explore, and strive for excellence.
